KEY INFORMATION

The Fumigation Company requires a key to be left at the residence during the fumigation. The homeowner/agent/tenant or RESPONSIBLE party MUST leave a key on the property for all locked doors, which include front doors, sliding doors, back doors, garage doors, bedroom doors, cabinets, safes, shed, etc.

Cars left in the garage during fumigation must be left unlocked with the windows rolled down and trunk left opened or a key must be provided.

Please be informed that there is a possibility that your fumigation could be cancelled if doors are not left unlocked or keys are not provided. Should this happen, your fumigation will be rescheduled to the next fumigation date First Class Fumigation has available.
